Pacific Source Community Solutions and Evicore:

Your insurance is **Pacific Source Community Solutions** (PSCS or Oregon Medicaid), this is a [helpful handout](#) which explains which Diagnosis Codes are covered for Acupuncture. Please consider giving this to your medical provider.

Your insurance used **Evicore** for prior Authorizations for Acupuncture. We have created [this handout](#) to help you understand the process and your options in case of a denied authorization.

Gift Card Purchases:

Here is more information [on gift card purchases](#).
